Samurai Demo Trading Contest

Terms and Conditions

1. Organiser

This contest (the "Contest") is organised by ZX Capital Markets Ltd ("ZXCM", "the Company", "we"), a company incorporated in Saint Lucia under registration number 2023-00378. Participation in the Contest is voluntary and constitutes acceptance of these Terms and Conditions in full.

2. Eligibility

- Open to registered clients of ZXCM aged 18 or over who hold a valid live trading account in good standing.
- Residents of jurisdictions where this Contest is restricted or prohibited by local law may not participate.
- The Company reserves the right to verify eligibility (including KYC/AML status) before confirming any winner.

3. How to Enter

- Participants must register for the Contest by opening a Contest demo account through the ZXCM client portal during the registration window published on the ZXCM website.
- Only trades placed on the designated Contest demo account during the Contest trading period count towards results.
- One entry per client. Multiple accounts or duplicate entries by the same individual will be disqualified.

4. Contest Period

Trading period: The Contest trading period, including the exact start and end dates and applicable time zone, is published on the ZXCM website. Trading activity outside the published trading period will not be counted.

Results and winner announcement: Winners will be notified by email within 7 days of the Contest end date.

5. Ranking and Winners

Rankings are determined by highest absolute profit (closed and open positions, in account currency) generated on the Contest demo account by the close of the Contest trading period. In the event of a tie, the participant who reached the result first (by timestamp) will be ranked higher.

The prize structure, including the number of winners and prize values, is published on the ZXCM website. All prizes are subject to these Terms and Conditions.

6. Prizes and Conversion to Cash

All prizes are awarded as non-withdrawable trading credit, credited to the winner's live ZXCM trading account within 7 days of winner notification by email.

Winners who do not yet hold a live ZXCM trading account with verification level 1 or above must submit a verification request and open a real trading account in order to receive their prize. Winners who fail to submit a verification request within 7 days of the date the prize is awarded will forfeit their prize.

Trading credit may be converted in full into withdrawable cash once the winner satisfies the applicable trading volume target, calculated as follows:

Volume Target (lots) = Prize Value (USD) ÷ 10

By way of illustration: a prize of USD 1,000 in trading credit requires the completion of 100 lots of trading on the live account before the credit may be converted to withdrawable cash.

- The volume target must be achieved within 30 days of the trading credit being applied to the account. If the volume target is not met within this 30-day period, the credit will remain as non-withdrawable trading credit and will not be converted to cash.
- Only completed (closed) trades on the winner's live ZXCM account count towards the volume target. Pending or cancelled orders are excluded.
- The trading credit may be used as margin during the volume accumulation period but may not be withdrawn until the target is met.
- The Company reserves the right to substitute a prize of equivalent value where the stated prize becomes unavailable.

7. Fair Play and Disqualification

The Company reserves the right to disqualify any participant, at its sole discretion, for:

- Arbitrage, latency exploitation, or abuse of demo pricing/execution that would not be replicable on a live account;
- Collusion between accounts, use of multiple entries, or fraudulent registration details;
- Use of automated trading systems, bots, or scripts unless expressly permitted for the Contest;
- Any other conduct the Company reasonably considers to be in bad faith or contrary to the spirit of the Contest.

The Company's decision on disqualification and final rankings is final and not subject to appeal.

8. Risk Disclaimer

This Contest is conducted on demo (virtual) accounts and results do not guarantee similar outcomes on live trading accounts. Demo trading does not involve real financial risk and may not fully reflect live market conditions, including liquidity, slippage, and execution speed. Trading CFDs and forex carries a high level of risk and may not be suitable for all investors; past or simulated performance is not indicative of future results.

9. Amendments and Cancellation

The Company reserves the right to amend these Terms and Conditions, postpone, suspend, or cancel the Contest at any time, in whole or in part, including due to technical issues, regulatory considerations, or insufficient participation. Notice of any such changes will be communicated by email or via support@zxcm.com where reasonably practicable.

10. Limitation of Liability

To the extent permitted by applicable law, the Company shall not be liable for any loss, damage, or disappointment arising from participation in the Contest, including technical failures, internet connectivity issues, or platform downtime affecting demo account performance.

11. Governing Law

These Terms and Conditions are governed by the laws applicable to ZX Capital Markets Ltd as a company incorporated in Saint Lucia. Any disputes shall be subject to the Company's standard complaints handling procedure in the first instance.

12. Contact

For any questions regarding this Contest, please contact us at support@zxcm.com.
